

Nottage Primary School

Charging Policy 2019

Introduction

All education during school hours is free. We do not charge for any activity undertaken as part of the National Curriculum. We may occasionally ask for voluntary contributions for enrichment activities such as cookery and design.

Voluntary contributions

When organising school trips or visits which enrich the curriculum and educational experience of the children, the school invites parents to contribute to the cost of the trip. All contributions are voluntary. If we do not receive sufficient voluntary contributions, we may cancel a trip. If a trip goes ahead, it may include children whose parents have not paid any contribution. We do not treat these children differently from any others.

If a parent wishes their child to take part in a school trip or event, but is unwilling or unable to make a voluntary contribution, we do allow the child to participate fully in the trip or activity. Sometimes the school pays additional costs in order to support the visit. Parents have a right to know how each trip is funded. The school provides this information on request.

The following is a list of additional activities organised by the school, which require voluntary contributions from parents. These activities are known as 'optional extras'. This list is not exhaustive:

- visits to museums;
- sporting activities which require transport expenses;
- outdoor adventure activities;
- visits to the theatre;
- visiting theatre groups/puppet shows;
- musical events.

Residential visits

If the school organises a residential visit in school time or mainly school time, which is to provide education directly related to the National Curriculum, we do not make any charge for the education. However, we do make a charge to cover the costs of travel (if needed) board and lodging.

Music tuition

All children study music as part of the normal school curriculum. We do not charge for this. The peripatetic music teachers teach individual or small group lessons, there is no charge currently for these sessions.

Swimming

The school organises swimming lessons for all children in Key Stage 2. These take place in school time and are part of the National Curriculum. We make no charge for this activity. We inform parents when these lessons are to take place, and we ask parents for their written permission for their child to take part in swimming lessons.

After School Clubs

The school offers additional activities after school. These activities are run on a voluntary basis and are usually provided without charge. There may be occasions where a voluntary contribution is needed to cover additional activities. Our after school provision has a charge.
